ACKNOWLEDGMENT

In this little text, which is optional, you may write your acknowledgements. These acknowledgements should directly follow the author's information.

Index Terms—Keyword 1, Keyword 2, Keyword 3, Keyword 4, Keyword 5.

Abstract—Here, you are requested to write the abstract of your paper. The main ideas, findings, results and conclusions should be introduced in an attractive way. This abstract should not be more than maximum 20 lines. Here, you are requested to write the abstract of your paper. This abstract should not be more than maximum 20 lines. Here, you are requested to write the abstract of your paper. This abstract should not be more than maximum 20 lines. Here, you are requested to write the abstract of your paper. This abstract should not be more than maximum 20 lines. Here, you are requested to write the abstract of your paper. This abstract should not be more than maximum 20 lines.

I. INTRODUCTION

Here, you start to write the real paper. It consists of an introduction, the body of the text with the different paragraphs, including figures, formulae, tables and eventual images, and of course, the conclusion. The full paper shouldn't exceed 10 pages and needs to be uploaded as a PDF-file. It also should not exceed 3 Megabyte.

II. TITLE OF THE FIRST PARAGRAPH

This is where you start to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that

the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This refers to the reference list [1].

This is where you continue with the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

III. TITLE OF THE SECOND PARAGRAPH

This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images.

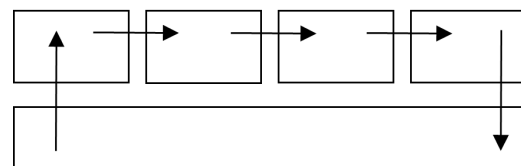

Fig. 1. Example of a figure caption.

Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

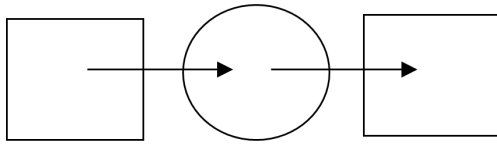

Fig. 2. Example of a figure caption.

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

IV. TITLE OF THE THIRD PARAGRAPH

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested.

$$x = 1 \quad (1)$$

This sentence will be repeated to represent the body of the text. This is where you continue to write the

extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images.

These words introduce a bulleted list:

- First list item
- Second list item
- Third list item
- Fourth list item
- Etc.

Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

V. TITLE OF THE FOURTH PARAGRAPH

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

^aSample of a Table footnote.

A. Title of the first sub-subparagraph in the fourth subparagraph

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget

that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested.

$$x = 1 \quad (2)$$

$$x = 1 \quad (3)$$

This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

B. Title of the second sub-subparagraph in the fourth subparagraph

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images.

Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

C. Title of the third sub-subparagraph in the fourth subparagraph

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, fig-

ures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

These words introduce a numbered list:

- 1) First list item
- 2) Second list item
- 3) Third list item
- 4) Fourth list item
- 5) Etc.

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images.

Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text.

$$x = 1 \quad (4)$$

$$x = 1 \quad (5)$$

This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This is where you continue to write the extended paper, including subparagraphs, sub-sub paragraphs, figures, formulae, tables and eventual images. Don't forget that the full paper shouldn't exceed more than 10 pages and that, as you might have noticed by now, a two column format is requested. This sentence will be repeated to represent the body of the text. This sentence will be repeated to represent the body of the text.

VI. CONCLUSION

This is where you write the conclusion of your Provisional Full Paper. Subparagraphs, sub-subparagraphs, figures, formulae, tables and eventual images should not appear here. This sentence will be repeated to represent the body of the text of the conclusion. This is where you write the conclusion of your Provisional Full Paper. Sub-paragraphs, sub-subparagraphs, figures, formulae, tables and eventual images should not appear here. This sentence will be repeated to represent the body of the text of the conclusion. This is where you write the conclusion of your Provisional Full Paper. Subparagraphs, sub-subparagraphs, figures, formulae, tables and eventual images should not appear here. This sentence will be repeated to represent the body of the text of the conclusion.
